NCLR Anniversary Celebration

The Anniversary Celebration—NCLR's annual signature event—attracts a sell-out crowd of 1,500 people from across the country to celebrate victories in the movement for full LGBT equality, and to honor those who have become role models through their commitment to justice. The 2016 NCLR Anniversary Celebration will be held in San Francisco on May 7th and includes the Anniversary Dinner at the Marriott Marquis, immediately followed by the Anniversary Party at City View at Metreon.
